

# "Mystical Jar Consciousness"

## Explained

Michael Schoonover, L.U.T. Candidate

**Sunday, February 5, 2012**

A student of Unity Truth principles since 1995, Michael Schoonover brings to the platform a unique blend of Unity, combined with his passion for Bible history including the Aramaic language in which it was written, and his own personal consciousness; ever seeking to express more of that innate Divinity that indwells us all. He never fails to light up the classroom with his interpretations, his knowledge and his subtle sense of humor.

Michael treasures all the older Unity and New Thought writings—based so much more on the Absolute than today's effect-oriented books—and has an extensive library from which to extract—and share—wisdom that has come down from ages past.

We invite you to hear Michael Schoonover at either the 9:00 or 11:00 service on February 5. His talk, "Living Jars" will explain Mystical Jar Consciousness—wherein he likens our hidden divinity to clay expressing as our human image (jar) and how we can gradually awaken to this greater Christ-self nature through a practice of prayer and truth studies rooted in an understanding of the absolute.

"But we have this treasure in earthen vessels, that the excellency of the power may be of God and not of us" —2 Corinthians 4:7
